Please look at the school website on your child's Year Group page for more information.

Y1 Educational Visit

Year One had a fantastic day yesterday at Knowsley Safari Park. We really enjoyed seeing lots of animals on our guided tour around the park. The lions were definitely a favourite! It was really exciting stroking the bearded dragon and the snake during our Discovery Workshop. Some of us weren't sure at first but we were very brave!

Y3 Educational Visit

Year 3 had a magnificent time when they visited the Catalyst Museum last Friday. They took part in workshops to learn about magnets and what it is like to be a real scientist in a laboratory. They all enjoyed the wonderful view from the observatory.

ROBLOX

Roblox is a highly popular game amongst children in our school. Roblox is a user-generated gaming platform where you can create your own games or play games that other users have made. There is also the option to chat to other players, but this can be disabled.

Have you set the appropriate privacy settings and parental controls? Click the link to find out how to do this.

<https://www.net-aware.org.uk/networks/roblox/>

Polite Reminder:

Please ensure toast money for the week is handed in on the Monday morning in a named envelope with the correct amount as we can no longer provide change or accept payments on any other day.

Dinner money needs to be paid either by Direct Debit, in cash on a Monday for the full week or in cash daily when your child purchases their lunch from the kitchen.

Advice from Child Exploitation & Online Protection command (CEOP):

CEOP is dedicated to keeping children safe online.

They are able to help and advise you and to make your child safe. Parents (or children) can report to CEOP if there are concerns about online safety and abuse. This might be from someone they know or someone they have only ever met online. Click the report button to follow the link. The report button can also be found on our website.

If you feel your child is in immediate danger, please call the police on 999.

For more information relating to keeping your child safe online and supporting them if something has happened to them online, you can visit the Thinkuknow website or click on the link below:

Hola - Spanish Club starts after half-term on Monday 26th February. Places are limited so please hand in your reply slip at the school office ASAP.

Premier Sport - After School Clubs for next term start on Monday 26th February. Please return your slip to the school office with your child's choice of club no later than MONDAY 12th FEBRUARY.

Y3 Class Assembly

Mrs Hogan's class assembly was a huge success. The focus was love, and the children shared lots of their learning to tell everyone what they love, and how love will help them to grow. There was singing, dancing and some wonderful writing.

Safer Internet Day

Our E-Safety Team led an infant and junior assembly on Tuesday, with all classes learning more about e-safety throughout the day. The E-Safety Team were wonderful and shared lots of important messages about how to stay safe online and be a responsible internet user. A huge well done to the team!
