Y2 Assembly

Yesterday, children in Miss Birchall's class had a wonderful time sharing our learning at our class assembly.

In class we have been learning all about space and the first moon landing. We took our audience back in time to 20th July 1969 and acted out this special event in history. We shared a poem that we created, read special prayers and sang lots of lovely songs. We even sang in Spanish!

Some children shared the facts that they had learnt during a workshop in the Space Dome and others shared examples of non-fiction writing that they had produced.

Thank you all of those who came to watch! We hope you enjoyed it!

The next meeting for Friends of St Philip's will be on Monday 22nd January at 7.30pm in the Seven Woods pub. All are welcome!

Parking around school — Please can we remind all parents/carers to follow the rules of the Highway Code when driving and parking around school. Illegally parked vehicles will be reported to the police.

HOLIDAY CLUB

In association with Premier Sports, we will be running a Holiday Club at Half Term for children who attend St Philip's as follows:

£15 per FULL day - 8.30am to 5.00pm

£8 per HALF day - flexible to individual requirements but no more than 4 hours.

Application forms can be found on the school website.

Please note that the club will only run if we have enough children on each day.
