Publication Scheme on information available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction: What a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you to download or print off on our school website or in paper form.

Some information which we hold may not be made public, for example personal information. This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

- Together we will foster a love of learning in a happy and safe environment to develop the mind, body and spirit.
- As a Christian community, we celebrate, embrace and value all cultures and recognise each individual's needs, talents and aspirations in line with British values.
- Through the highest standards of teaching and learning we endeavour to spark the imaginations of all children with active support of our parents and carers.
- We provide an enriched and engaging curriculum which enables children to become high achieving, creative, reflective and enquiring learners.
- We will aim high in all we do, celebrating each other's achievements, always persevering. We strive to build on our success and take on new challenges, valuing the opinions and views of our school family.
- We have high behavioural expectations which are under-pinned by our Christian values. We aim to show respect for one another and be active, caring members of school and society.

'Together we aim high, and with God's love we can fly.'

This publication scheme is a means of showing how we are pursuing the aims of our Mission Statement.

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into three broad topic areas:

Governors' Documents – information published in non-confidential governing body documents.

Pupils & Curriculum – information about policies that relate to pupils and the school curriculum.

School Policies and other information related to the school - information about policies that relating to the school in general.
