

St Philip Westbrook News

Year 4 Newsletter: Friday 2nd March 2018

Spring 2

See your child's class page on the website for details of PE days.

Children should have their Book Bags and reading records in school every day.

Please remember that all children should wear school uniform, as outlined in the policy.

Our Learning

Welcome back! We hope you all had a lovely half term. We have begun our new project, which has a science focus for this half term. British Science Week will take place in the week commencing 12th March, when the children will research scientists and write fact files about them. We will also be doing lots of exciting science work throughout this half term.

We will be learning the following:

Maths: fractions, time, problem solving.

English: poetry and stories from around the world, newspaper reports, Easter poetry.

Science: working scientifically, investigative skills.

Geography: Our Nation—

learning about the UK.

Art: reflections.

DT: mouldable materials.

PE: basketball, dodgeball and multi-skills

RE: Lent & Easter.

PSHE: relationships and managing emotions.

Thank you for all of the cardboard boxes sent in last half term. We loved designing and making our models of Westbrook buildings. We hope you enjoyed seeing them (they are on the website if you haven't seen them yet!).

Class Page

If you haven't already looked, please look at our class page on the website:

St Philip Westbrook
C of E Primary School

"Together we aim high and with God's love we can fly"

You will find lots of photographs and videos of the children's exciting learning, so please do have a look!

Reading

A reminder that children should be reading at least three times a week at home. This needs to be recorded in reading records, then checked and signed.

If a child has not completed this at home, they will be able to attend Homework Club to catch up.

In PE, we are working hard at developing our own skills and improving our personal bests, as well as competitive sports through playing basketball, dodgeball and multi-skills.
