

Behaviour Policy

St Philip Westbrook C of E Aided Primary School

Date of Review	Action
September 2013	Updated with new Hope Christian Value
September 2015	Changes made to praise and consequences – Dojo system introduced
July 2017	Update regarding search and confiscation, Happy Lunchtimes
May 2018	Incident Log added
Sept 2018	Bronze, Silver & Gold dojo awards added

Behaviour Policy

Aims

Our Christian values are at the heart of our school and create a loving environment that promotes the care and nurture of the whole community.

Our school motto 'Together we aim high and with God's love we can fly' is lived out day by day and ensures that there are high expectations in developing positive relationships, where children value and respect one another and try hard to be considerate, responsible and caring members of our school.

Our mission is to behave in the way that Jesus taught us: He said "I have set you an example, that you learn that you are all equal, the Master is no more important than the servant, and that you should behave kindly and humbly towards each other."

Our Behaviour policy is based upon the following Christian values:

- Respect
- Fellowship
- Trust
- Wisdom
- Compassion
- Fairness
- Perseverance
- Hope

These values underpin all our work and are reflected in our school rules; we encourage children to apply these values throughout school life and beyond.

Behaviour Rules

Respect

We show respect for people and the environment.

Perseverance

We always try our best even if it's hard.

Compassion

We care for and try to understand one another.

Trust

We are responsible and try to tell the truth.

Wisdom

We make good choices.

Fellowship

We value and forgive one another.

Fairness

We are fair to one another.

Hope

We begin each day afresh and try to do our best.

To encourage positive behaviour we praise, reward and identify the positive, and when necessary apply sanctions to combat negative behaviour.

Praise in Public & Reprimand in Private (PIP & RIP)

The most important part of our behaviour code is the use of praise. There is an attitude of positive praise and encouragement in all classrooms. Ideally each child should be praised for something they have done every day. Children who behave well and co-operate should be praised for good behaviour, this will improve their self-esteem. Each class teacher will use a range of privileges and awards to reward good behaviour and work.

If there has been an issue with a child's behaviour, the child should be spoken to in private, not in front of the class, and asked reasons why they have behaved in this way.

Through all aspects of our work with children we seek to resolve problems and enable children to move on and overcome any difficulties they may have. We also emphasise that each day provides a fresh start, as a Christian school we believe we should give everyone the chance to try again.

Together we aim high and with God's love we can fly.

It's a new day.... ..

In the classroom:

Individual rewards:

- Verbal and non-verbal praise
- Stickers
- Praise pad
- Certificates awarded during a unit assembly
- Headteacher Award during a Celebration Assembly
- Name on sunshine (Reception and Year 1), at least 10 positive per day.
- Dojos awarded (Y2 – Y6), at least 25 positive per day to be awarded by individual or group points. The positive and negative Dojo must be set up to relate to each Christian value.
- Bronze, Silver and Gold awards for 100, 200 and 300 dojos reached in each school year.
- Star of the Week (all children must be awarded this at least once throughout the year, staff must keep a record).
Note that the Dojo chart should be shared at least 3 times per day – before break, before lunch and at the end of the day.

Class rewards:

The whole class will be awarded points by staff or prefects for behaving well. These points will be collected and counted towards a special treat to be awarded at the end of each half term.

Rec & Year 1: Each reward will be added to a jar (no glass jars). Fill the jar by the end of the half term to receive the treat.

Y2 – Y6: Class points will be awarded via the Dojo. Target at least 5 per week. As the Dojo system also adds individual Dojos the target total for the half term would be higher than R and Y1.

Consequences:

Reception and Year 1 will use the sunshine and cloud system:

1. Verbal warning
2. Name on grey cloud
3. Name on thunder cloud
4. If behaviour continues 5 minutes of the next playtime lost
5. Parent informed

Y2 – Y6 will use the Class Dojo system:

1. Formal warning
2. Name on board
3. Individual negative Dojo given (relating to a Christian Value)
4. 5 minutes of next playtime lost
5. Move to another classroom and see a Unit Leader/Deputy
6. Sent to Headteacher and parent informed

Severe Misbehaviour:

This means when a child:

- Blatantly refuses to do what an adult has asked them to do
- Destroying or defacing property with intent
- Using violence
- Bullying others (see Anti-Bullying policy)

If children do any of the above they will be sent directly to the Headteacher (or senior leader in their absence) who will inform the parents of the child and issue any consequences needed.

Children who display persistent severe misbehaviour who may be excluded if all other strategies have failed.

Happy Lunchtimes

During lunchtime, midday staff follow the Happy Lunchtimes rewards and sanctions procedures.

Rewards

1. Each midday will have 'fuzzies' which are rewarded to individuals from any class each day, these are then collected in tubes located in each classroom. Children will need to put these in their pocket until the end of lunchtime.
2. These are **compared** (not counted) in Thursday assembly each week, with a winning class declared. Classes in the Infants will have the opportunity to decide upon their class reward that week; Junior classes receive an extra slot in the Ball Park or can choose to use special equipment.
3. Each midday will nominate 1 pupil per week for the class(es) they are in charge of and give the name to the teacher on a **Friday**. The teacher will then need to write the child's name on a certificate to be given out the following Thursday in assembly.

Sanctions

1. Quiet word / raised eyebrow / amicable solution
2. 2 minute timeout and apology. This should be 5 minutes where the pupil is uncooperative or cheeky. Their name should be written in the class book.
3. Sent in to the office to see Mrs Wightman or Mrs Deakin who will speak to the child. The child will then be brought back to the original supervisor who noticed the behaviour to complete Step 2 above, reinforcing the authority of the midday staff. Step 3 may be used for bullying, violence, and cases where a pupil refuses to accept the authority of the staff. The child's name should be written in the book and the class teacher told.

Incident Log (Purple Folder in each classroom cupboard) See Appendix A

Each class must have an incident log sheet in a purple folder in their classroom cupboard. Teachers must complete this as appropriate using the codes and details on the sheet. These are analysed each half term and action taken if necessary.

Search and Confiscation

Pupil belongings, including content on mobile phones, may be searched by staff if deemed necessary. Confiscation of pupil belongings, including mobile phones, may take place as a result. Pupils may be banned from entering the school premises with a mobile phone. Further details can be found in the Anti-Bullying Policy.

Homework Room

Children who have not completed their homework in KS2 will be sent to the Homework Room for fifteen minutes. A letter will be sent home to inform parents if this happens on three separate occasions. Children should be able to complete their homework unaided and have all the resources needed to do it. Children will be expected to work in silence to enable reflective thinking.

Other

Parents are informed by the class teacher of incidents of either positive or negative behaviour on a frequent basis. Home school links are very important in improving behaviour and in ensuring success. Children who misbehave regularly will have a behaviour book which is sent home each night.

If a child, or group of children, constantly chooses to break the rules then the matter will be directed to the Headteacher.
