***Well Done!***

## Talk PANTS

We are asking parents to visit [nspcc.org.uk/pants](http://nspcc.org.uk/pants) for information on how to keep children safe from sexual abuse without using scary words. There is also a song and game that will help children remember this important message.

## Post Box

To help ease congestion in the main school reception area in the morning, we have put up a new red post box on the wall for all letters, dinner money etc.. that just need dropping off. Please make sure that all envelopes clearly state your child's name and class. It will be emptied after morning and afternoon registration each day. If parents have any items to be dropped off after school then please hand in at the school office as normal. The school office is open from 8.30am to 4.00pm every day.

Thank you for your co-operation.

## Y6 Trip

The children enjoyed their visit to Warrington Museum to enhance their learning about Ancient Egypt. Their behaviour was impeccable and museum staff commented on their engagement and prior knowledge of the subject. The children were shocked to discover that some Victorian tourists took some unusual souvenirs from Egypt.

Rebecca wrote, "Mrs Higginbotham surprisingly brought home the mummy boy in her suitcase." Harish said, "I thoroughly enjoyed my trip, especially making the clay Shabtis."

Thank you to the Museum staff who made the visit a memorable one, and to the parents who came along to help.
