### Parking at drop-off/pick-up

Please can we remind parents to be courteous when parking around school. Please do not park inappropriately or in disabled bays. It will be a shame if our neighbours prevent parents from parking on their property when dropping off/picking up children due to inconsiderate parking.

## Headteacher's Award

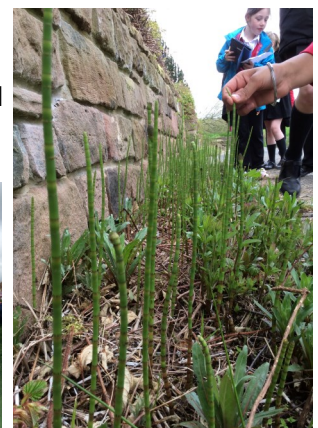

Pictured below are children in Y3-Y6 receiving their Headteacher Award from Mrs Wightman during Celebration Assembly on Monday. Well Done to everyone in every class who got an award!

## Y5 Local Trip

As part of our project 'life cycles', children in Y5 enjoyed a walk around Mary Ann Meadows to investigate the varying species that live in the local area and classify them into animal type and order in their life cycle.

Everyone agreed it was muddy, quiet, calm and adventurous!

# Eggsellent Easter Event

The whole school had a fun-filled day taking part in the Eggsellent Easter Activities in class.

There were some fantastic egg-designs, lots of laughs during the egg-rolling competitions and everyone in class received a chocolate egg too!

A very special 'thank you' to the Ethos Group for organising the day's events.

**Have you heard about SimSimi?** It is a popular app that has recently been linked to significant levels of online bullying between children and young people. The attached document being sent home with this newsletter explains what it is and how it can be misused. Critically, it also highlights the safety tools available in the app alongside some practical safeguarding advice.

Premier Sport After School Clubs - payment for ALL clubs must be paid by Monday 24th April or your child's place will be offered to another child .

Earlier in the year, Y3 and Y4 took part in the Big Schools' Birdwatch and at last the results are out. Take a look at the RSPB website to find out which birds have been spotted by children across the country. <https://ww2.rspb.org.uk/kids-and-schools/kids-at-school/schools-birdwatch/results/>

## Parent Survey

As a result of parental feedback we are able to inform you that:

- ⇒ A Carbohydrate Counted Lunchtime Menu has now been uploaded onto our website - look on the Parent Information page then click on the Lunch & Snack page for more information.
- ⇒ We have revised our PE Curriculum Map to ensure that all children take part in 2 hours of PE per week. Our main focus is to ensure children enjoy taking part in competitive games and a variety of locally organized competitions and tournaments with other schools.
