5&6 July - Y6 Transition Days

8th July - Summer Fun Day

13th July - Summer Concert

20th July - Y1 Teddy Bears' picnic

27th July - Y6 Leavers' Assembly

## Y2 Assembly

Thank you to all the family and friends who joined us for our class assembly. The children had worked really hard to prepare their work for sharing and did a wonderful job. We shared writing and art work as well as asking our audience to join in with a quiz and solving riddles. We shared a video that we made on our visit to Formby. For more photos please check out the class page on our website.

"We created artwork to match the Formby habitats and added objects we collected from the environment."

## Staff News

At the end of the summer term we will be saying goodbye to Mrs Pritchard as she retires from teaching here at St Philip's since the school opened, nearly 30 years ago!

We will also be sad to see Mrs Rudd, Miss Tomlinson, Miss Campbell and Mr Scott leave as they move into new schools from September.

Mr McKenna is also leaving us to pursue his own business as a Photographer.

All the children and staff would like to wish them every blessing for the future as they will be missed by everyone.

We are still recruiting new teachers and children will meet their new class teachers in July.

## Westbrook Big Party

Thank you to everyone who came along to listen to the School Choir last Friday at Gulliver's World. We all had a fantastic time!

## Y2 Formby Trip

Harbanni in Miss Ramsey's class said, "On Monday we went to Formby. We all travelled on a double-decker bus and it was really fun. Then we found a lady called Fi, who was our guide. Our first stop was Squirrel Wood, that was full of red squirrels. We sat on the floor that was full of pine cones, and looked, smelt and listened for red squirrels. Then we walked through Broad Leaf Forest, where we saw lots of slugs and snails because the habitat was much wetter. After we had a little look around Broad Leaf Forest, we headed to the sand dunes, where we found lots of unusual bugs. We wanted to see sand lizards, but they are very rare so they were all hiding and being shy! Our final stop was the beach, where we found some amazing shells. What a fantastic day we had!"

"Is this enough sun-cream, Mrs Kirk?"

### Summer Fun Day - Saturday 8th July

Children can bring in items to be donated towards the Summer Fun Day week commencing Monday 26th June. Cakes will only be accepted on Friday 7th July. Please refer to the newsletter from Friends of St Philip's that is attached to the newsletter.

internet matters.org

**Share-a-bear** - it was lovely to see all our new Reception children due to start in September visiting their new classes this week. They got to meet their new teachers and also join in with lots of fun activities with their parents too!

Please remember to apply sun-cream before your child arrives at school on hot sunny days, and also ensure they have a clearly named sun hat & water bottle with them too.

## Happy Days of Summer
