Y6 Leaver's Service

Y6 joined other Y6 pupils from schools across Liverpool Diocese for a special service to bless them all as they leave primary school. We all enjoyed singing together in such an impressive building.

Y5 Discovery Day

Children from Y5 were given the opportunity to attend a 'Discovery Day' at St Gregory's High School yesterday. They all got hands-on in the science labs having a go at experiments, making keyrings in DT and visiting the library. The best fun of the day was definitely trampolining as they got the chance to have a go at somersaults. Mrs Wightman was delighted to receive a call from the Head from St Gregory's after the visit to say how impressed the staff were by our pupils. The best Y5 pupils that have ever visited!

Y5/Y6 Netball Match

We hosted Barrow Hall Primary School in a friendly netball match after school yesterday. Although we had to play both games in the main hall, the team played really well and won the first game. Player of the match was Ava in Y6 who scored a fantastic

Y6 Residential Trip

Children in Y6 had a fabulous time during their residential trip to Menai last week. The sun shone for most of the time and here's what they thought, "Canoeing and raft building were fun, especially as we had a race and you got to jump in the water afterwards." - "We all got really dirty during bushcraft and building fires." - "It was funny watching Mr McKenna dancing around to get rid of horseflies!" - "A great chance to try new things, face your fears and learn new things" - "Telling scary stories with our friends." - "Menai's Got Talent was really funny but Mr Henshaw's singing was really cringey!"

Toilet Twinning - Did you know that over 2.4 billion people don't have somewhere safe to go to the toilet? Toilet twinning is a water and sanitation initiative that our school is getting involved in. We are sponsoring a toilet block for a school in another part of the world.

We are conducting a survey of homework for Reception to Year 5 parents. Please click on the link below - as this is a new way of surveying parents please let us know if you have any difficulties.
