## Summer Fair

Friends of St Philip's would love you to bring your family and friends along to the Summer Fun Day for an afternoon of fun-filled activities, games and prizes.

**Saturday 8th July**  
**12.30pm-3.30pm.**

Please note that the Fair will take place in the small hall at the rear of the school if the weather is unkind to us!

## Y6 Science Workshop

Children in Y6 had a fantastic time yesterday when staff from Air Products came into school for a science workshop.

They really enjoyed the initial talk about 'Temperature' and 'What is Matter?'

The fun began when they got hand-on with the experiments, using liquid nitrogen to freeze flowers and then making balloons explode!

## Lost Property

There will be a table with items of lost property on it at the Summer Fair on Saturday 8th July.

Any unclaimed items will be donated to charity at the end of the summer term.

## Y4 Maths Day

Olivia, Charlotte, Abbas and Joe from Y4 spent last Monday with other children from across Warrington testing their maths knowledge and skills.

The day was lead by one of the UK's leading maths practitioners and consisted of different exciting challenges.

Olivia said, "It was really fun trying to solve the different problems!"

Please remember to report to the school office with your child for signing-in if the school gates have been locked. This will be marked as a 'late' in the school register.

During the last few weeks of the summer term, please send your child to school with a clearly named hat, water bottle and apply sun-cream before they arrive at school.

## Y5 Playground Buddies

Amy and Jessica in Y5 have recruited volunteers from Y5 to all become Playground Buddies.

Starting next week, Playground Buddies will be making friends with children from all year groups, joining in with playground activities and making sure everyone has someone to play with during playtime.

Amy has designed great badges for them to wear. Well done for coming up with a very thoughtful & imaginative idea!
