E-Safety Reminder

Alpha Course at St Philip's School

Got questions about life?

I believe that everyone should have the chance to explore the Christian faith, ask questions and share their point of view in a relaxed and welcoming way.

So, I want to invite you to come and explore life, faith and meaning on the Alpha Course which St Philip's Church will be running.

When: Thursday Morning- 28th September to 14th December 2017 (Excluding school holidays)

Time: 9:00am - 10:00am
(Just after school drop off - if you have smaller children there will be a creche available)

Where: St Philip's School (Meet at reception)

All are welcome to come no matter your perspectives and there will be Tea and coffee available.

To register or for more details contact Pete on 07508 656710 or pete@westwarringtonchurch.uk

I look forward to journeying through the course together- Rev Pete

Y3 - Y6 Toast Children in Y3-Y6 can purchase toast & a drink for mid morning snack which is £2.50 per week, to be paid in full on Monday in a named sealed envelope. Unfortunately, late payments will not be accepted by the kitchen who run this service on behalf of the LA.

Roald Dahl Day

The children came to school on Wednesday dressed as their favourite character from a Roald Dahl story. The day began with an exciting assembly that was led by a local drama group. The children and staff looked fabulous and we all had an amazing day!

Y6 'George's Marvellous Medicine' Workshop

KS 1 and KS2 Assembly - WOW!

Y3 - Mrs Hogan's class

Children in Y3-Y6 who would like to be considered to represent the views of their class on the School Council need to prepare a speech outlining why they should be voted for. Paper based resources can be used as computers will not be available. This will be delivered from Monday next week.

Elections will take place on Friday 22nd September.

Good Luck!

Dinner Money, Trip & Club Money - Please ensure ALL payments are in a clearly marked sealed envelope and posted in the red post box outside the office as we cannot accept money on its own being handed in. Thank you.

Y5 Science Workshop

Children in Y5 had a *blast* conducting science experiments in the 'Cabbage' Workshops this week. Oliver and Alex enjoyed the blowing reactions when the polystyrene cups dissolved, and Charlotte thought making the slime was really fun.

It was excited to be chosen to demonstrate the acid/alkaline test to the rest of the class,

although curious as one of the jars had water in it. Can you spot which one?

Acid = Pink

Alkaline = Green

Neutral = Purple

Advance Notice of Dates for Christmas Plays
