Y2 Liverpool Trip

Y2's trip on Monday to Liverpool Cathedral and Maritime Museum was a fantastic day out learning about the City of Liverpool. Harry enjoyed walking into the cathedral as it had "colourful windows and very big statues." Finlay said, "When you look across the River Mersey you can see buildings on the other side, and you can ride a ferry across or drive through a tunnel to get to the other side too!". Max enjoyed going into the museum and looking at the big picture of Liverpool on display as he could see lots of other buildings he didn't realise were there!

Y5 Museum Trip

As part of their topic on 'Forces and Flights', the children in Year 5 have had a wonderful day visiting the Museum of Science and Industry in Manchester today. Its lovely to see them wearing 'spotty' accessories for Children in Need day too!

Pupil Achievements

Well done to a pupil in Mrs Hogan's class who has recently been awarded a bronze award from the junior Salvation Army. She earned the award for completing activities that showed she is a good Christian and also a good soldier.

Another pupil, also in Mrs Hogan's class, was delighted to receive a Blue Peter badge. The team from the much loved TV programme were impressed after she wrote in to let them know about her dancing achievements and the certificates she had won. Fantastic!

Poppy Appeal - Thank you to everyone who bought a poppy last week and helped to raise £270.26 on behalf of The Royal British Legion.

School Council - A HUGE well done to the School Council who lead a whole school anti-bullying assembly as part of a national anti-bullying week. The assembly was fantastic and based on the theme "All different, All equal". It was highly informative and the children celebrated the fact that we are all special and unique.

NSPCC

This year we are going to apply for an award that is accredited by Unicef called the 'Rights Respecting Schools Award'.

Unicef works with schools in the UK to create safe and inspiring places to learn, where children are respected, their talents are nurtured and they are able to thrive. The Rights Respecting Schools Award embeds these values in daily school life and gives children the best chance to lead happy, healthy lives and to be responsible, active citizens. We believe that through our Christian values, we already show that we are well on our way to being able to achieve the first level of this award. The children will play a big part in leading the application.

Y2 class teacher Mrs Kirk is delighted that one of her pupils has so far raised £100 for Children in Need by selling decorative hair bows to friends and family. Well done for being so thoughtful and doing something positive for charity!
