Star of the Week

The following children have been awarded Star of the Week for showing

'RESPECT'

RecD - Leon
RecP - Rory
RecV/B - Beatrice
Y1A - Aarin
Y1K - Yaseen
Y1Mc- Erina
Y2K - Will
Y2R - Kendra
Y2B - Jessica
Y3E - Brodie
Y3H - George
Y3D - Emilie
Y4D - Krishna
Y4L - Billie Jo
Y5C - Rueban
Y5B- Hasan
Y6H - Jack
Y6C - Charlie

July Dates for Forthcoming Events

3rd-Y6 Transition Day, Gt Sankey and St Gregory's.

3rd-Rec, New Parents' Meeting
2.30-3.00pm

4th-Y6 Transition Day-Gt Sankey.

12th-Summer Concert 6.30pm

19th-Y1 Teddy Bears Picnic 2pm

26th-Y6 Leavers Performance 9.00am

Please look at the school website on your child's Year Group page for more information.

Year 6

On Tuesday, year 6 visited Liverpool Cathedral for their leavers' workshops and service, they had a range of workshops that focused on the transition into high school and a guided tour of the Cathedral, where they learnt some fascinating facts about the Cathedral and the architect who designed it!

The service included lots of our favourite songs including 'My Lighthouse'. It was a wonderful time for the children to reflect upon their journey throughout primary school and think about the exciting years to come as they move on.

We would like to thank our wonderful year 6 pupils for representing our school brilliantly - we are so proud of them for their impeccable manners and we have been sent a lovely comment from the members of staff at the Cathedral -

"We would just like to congratulate the children on their exemplary behaviour on their visit to Liverpool Cathedral. It was a pleasure for our team to interact with them."

SUMMER HOLIDAY CLUB

Holiday Club

LIMITED SPACES ACROSS BOTH WEEKS

In association with Premier Sports, we will be running a Holiday Club at Half Term for children who attend St Philip's as follows:

Week Commencing Monday 6th and 13th August 2018

£15 per FULL day - 8.30am to 5.00pm

£8 per HALF day - flexible to individual requirements but no more than 4 hours.

Application forms can be found on the school website, please complete and send into school as soon as possible.

Please note that the club will only run if we have enough children on each day and the places will be allocated on a first come first served basis.

Please remember to apply sun-cream before your child arrives at school on hot sunny days, and also ensure they have a clearly named sun hat and a water bottle with them too.

Bake Sale and Guess the Sweets in a Jar

Katie and Jessica from Year 6 will be holding two fundraising events next week for the charity Bliss, which supports premature babies and their families.

From Monday 2nd July children from all classes can guess the sweets in a jar for 50p a go. There will also be a bake sale for Year 6 children on Wednesday 4th July, £1 per item or two items for £1.50.

Summer Fair - Saturday 7th July 2018

Do you want to be in for a chance to win £100 and many more prizes?

Last day to get your raffle tickets and payment in is Friday 6th July 2018.

It has been brought to our attention that Asda has received approval for the reconfiguration and regeneration of the Westbrook District Centre. While we think that this will be good for the local community we are disappointed to hear that the road that runs directly between St Philip's and The Odeon Cinema has been given approval to be the main route into the centre for HGV deliveries to Asda.

This is completely unacceptable and we feel will add further road safety issues for our pupils.

We would like as many people as possible to object to the use of this road as a main delivery route.

Please can you make your objections under Planning reference number 2018/32584 at

https://www.warrington.gov.uk/homepage/529/planning_and_building_control

When you reach the site click on 'Appeal against a decision' and complete the form using the planning reference number above.

Please send all toast money for the week into school on a Monday morning (£2.50).

Lunch Money is £2.30/day or £11.50/week.

Online Safety

Do you know which games, websites and social media portals your child is using? We encourage parents to talk to their children about their online activity. Let them share what they're playing or looking at, rather than asking them whether they are playing a specific game. If you have any concerns remember that you can seek advice from the NSPCC or report via CEOP.

Y6 Residential Visit

Y6 had a fantastic week in Menai at the Conway Centre. It was busy week from start to finish. The children had the opportunity to try different activities and conquer things they never thought they would. The children did a range of activities throughout the week such as: kayaking, via ferrata, stand-up paddle boarding, mountain biking, bush craft and many more. Miss Cragg's personal favourite was the stand-up paddle boarding - everyone had great fun on the water and some of the children spent more time in the water than they did on their paddle board! The children were an absolute delight to take away and everybody commented on how polite they were. Once again, they have made us so so proud and each and every child is a credit to their family! It was the perfect way to end the year. Thank you for a memorable week year 6!

Year 3

On Wednesday, Year 3 spent the morning at Westbrook Orchard to see what the Land Trust have been developing. Everyone was very excited and it was fantastic to be able to have such

wonderful outdoor learning in such a wonderful space so close to us. Kev was our instructor and was impressed with our scientific knowledge.
