This week the children have been busy designing and completing their very special class worship box. They then visited Mrs Wightman who gave them lots of precious items to store in the box ready for their class

based worship which takes place each week. A group of children from each class are responsible for setting up their class worship

using all of the resources, and supporting the teacher in leading the worship. In the final week of half term, the same group of children will be responsible for planning and leading the worship by themselves for the whole class. All the children have been very excited and the worship boxes look wonderful!
