Lego Workshop

'Year 1 had a fantastic day at the Lego Workshop on Monday. We were given the task of building houses. We had to think carefully about how to make our houses strong so they didn't fall apart. Stephen, our leader, showed us how to overlap the bricks to do this. We added doors and windows to make our houses unique. We then used roads to join our houses together to create a small town!'

Attendance Award

Well done to everyone in Miss Lester's and Miss Evan's class for 100% attendance for the week ending Friday 5th October!

The class received a special certificate which is being proudly displayed inside the classroom.

School Meals

As you are aware from 8th October 2018 school meals will run on the new cashless system and we will no longer accept cash payments for either snack or lunch money.

Activation letters for the new system were sent home this week for all Y3-Y6 children. Please follow the instructions in the letter and sign up for this as soon as possible.

Please do not contact the school office with any queries regarding this system as it is provided by School Meals. We are unable to deal with any requests or queries, please direct these to Susan Stephens at School Meals on 01925 443081.

Together we aim high and with God's love we can fly.
