

St Philip Westbrook C of E Aided Primary School

Religious Education

Jesus as Teacher:
Stories: Lost sheep, Good Samaritan, beatitudes, lost son.
Why did Jesus tell this story?
What can we learn from this story?
How does this story help us to understand Christian beliefs?
How does this story impact on the lives of believers?
What would Jesus do?
What kind of king is Jesus?

Personal, Social & Health Ed

Health and Wellbeing: how to stay healthy, eating a balanced diet, exercising and keeping our bodies healthy. How do our bodies start to change as we get older?

Computing

Coding. Children can explain what Object, Action, Output, Control and Event are in computer programming.

Physical Education

Gymnastics – creating sequences and patterns using linking skills.
Jumping, rolling, balancing, leaping and different shapes. Working on speed and tension.
Multi-skills – Danish Longball. Jumping skills, hand eye coordination, control of power.

Science

Earth in Space: Identify and explain the movement of the Earth and other planets relative to the Sun. Describe the movement of the Moon relative to the Earth. Explain how day and night occur with reference to the rotation of the Earth.

DT

Food and nutrition.
Explore ingredients used in Elizabethan bread-making. Design own recipe and make bread rolls, using traditional ingredients. Evaluate products.

English

Diary writing – using feelings and emotions to write in the style of a 1st person narrative.
Non-fiction – use formal language and note-taking skills to link ideas and present facts.
Newspaper reports – use biased language and reported speech to report a known event.

Year 5 Spring 1 Star Wars

Mathematics

Reading graphs and charts.
Comparing and ordering fractions, decimals and percentages.
Can we find parts of numbers and shapes?
Problem solving. Using mathematical reasoning to solve everyday problems.

Cultural Appreciation

Archbishop of York Youth Trust, Young Leader's Award. Looking at the change we want to be in our community and school. What can we do to be the change?

Spanish

New Year celebrations, healthy eating and shopping at the market. Explore Spanish culture. Speak clearly and with increased confidence. Maintain correct emphasis and pronunciation.

Wow Experiences

Looking at the universe and how it fits together. Hands on exploration of Scientific experiments related to the Earth and the Moon. Planetarium.

Music

Make You Feel My Love: Breathing in the correct place when singing. Improvise within a group of melodic phrases. Describe and compare music using musical vocabulary.

Visit or Visitors

Visit the World Museum to explore our Space topic. Experience the planetarium and related workshops.

British Values Debate

Should England continue to contribute to space exploration – cost, pollution, space debris, etc.?
