Message from the NSPCC & O2

The internet is like a magician's hat, it's full of exciting things to explore and children love it. But whilst they seem to know what they're doing, sometimes it's hard for parents to keep track.

That's where we come in. With [O2](#), we'll help you keep children safe online.

We've got lots of tips and advice. We're also running workshops to help you have the right conversations with your children, and we've even got a free helpline to give you personal advice whenever you need it.

So whatever's in that magician's hat, we'll help you make sure your children are safe as they explore it.

Health and Safety

Due to a loose tile on the new extension at school we have sought immediate professional advice and insisted on a full inspection of all the tiles be arranged. As Chair of Governor's I have asked school to alter access arrangements until we have assurances from the LA that there are no other loose tiles. The safety of our pupils and staff remains our absolute priority.

Friends of St Philip's

The next Friends of St Philip's (PTA) meeting will be held on Tuesday 22nd January at 7.30pm in St Philip's Church. We will be planning for the Mother's Day Sale and discussing events for the year ahead.

All money raised benefits the school, please do join us!

Please ensure that all school uniform has your child's name in it, by doing this we can get the items back to them.

Guides & Scouts Association

On 22nd February each year, Guide and Scout Associations across the world think of each other and express their thanks and appreciation for the international movement.

Some St Philip's pupils are Guides and Scout members. As you will know 22nd February falls within our half term holidays, therefore, to allow the members to celebrate the two organisations that they are a part of and share it with others, the children will be able to come to school in their Rainbow, Brownie, Guides, Beaver, Cub and Scouts uniforms on Monday 25th February 2019.
