Dear Parents

Kit List: Year 4 Peace Centre Residential

Children to come to school in own clothes ready for the day outside: warm, comfortable clothing (layers preferably so they can be removed if it is warm), waterproof & warm coat, walking boots/comfortable trainers, hat, gloves. The children should also bring a packed lunch with a drink, a small, healthy snack and a full water bottle.

A small back pack that your child will need to carry containing the following: pyjamas, slippers/thick socks, toothbrush, toothpaste, flannel, soap, hand towel, a small teddy bear, a change of clothing, a book. Your child will be carrying this bag to the Peace Centre so it needs to be a small backpack.

If your child has any medication, this should be given to the teacher on the morning of the residential with any appropriate paperwork, this includes inhalers.

Yours sincerely

Mrs L Davidson
