join us.  
10th - Reception - RSPB Workshop.  
25-26th Y5 London Residential

### May

2nd - Y3RE Class Assembly.  
2nd - Rec and Y6 Photos.

## Y6 Workshop

The children really enjoyed the  
afternoon learning all about  
liquid nitrogen. They discovered  
its uses in science and daily life  
and everyone had the  
opportunity to crush a flower  
which had been immersed in the  
liquid nitrogen. Jacob said, "It  
was fun because it taught us a  
lot about the elements."

Ava commented, "I liked it  
because we all got involved."

A big thank you to our visitors for  
coming in to talk to us, and to  
Mrs Hogan for organising a  
brilliant science week!

## Y2 Workshop

The children in year 2 really enjoyed their workshop with  
United Utilities during Science week. We had lots of fun  
learning all about the water cycle, and how the water in the  
seas and oceans gets to our taps at home so that we can  
drink and have a shower! We also learnt how important it is  
to use less water, so we thought of lots of different ways that  
we could save water at home and at school. We can't wait to  
put our ideas into practice and see how much water we can  
save!

## BE KIND

and compassionate  
to one another,

*forgiving each other,  
just as in Christ  
God forgave you.*

- Ephesians 4:32

## Y4 Residential

Year four have returned from their residential at the Peace Centre and they had an absolutely amazing time. They focused on our Christian value of fellowship through working together as a team using communication and by supporting and encouraging each other. We took part in a number of team games and problem solving activities where team work was essential. We also completed a really fun scavenger hunt in teams, we did a litter pick and we created some beautiful natural artwork using what we found in the local environment.

Many of the children said it was the best time they ever had and they wanted to stay for longer! The children were an absolute delight to take away and all staff were very proud of them. Well done, year four!

## HOLIDAY CLUB

We will be running a Holiday Club at Half Term for children who attend St Philip's as follows:

**Week Commencing Monday 15th - Thursday 18th April 2019**

£15 per FULL day - 8.30am to 5.00pm

£8 per HALF day - flexible to individual requirements but no more than 4 hours.

Application forms can be found on the school website, please complete and send into school as soon as possible.

*Please note that the club will only run if we have enough children on each day and the places will be allocated on a first come first served basis.*

## Football Tournament

On Thursday, some year 5 & 6 children took part in a football tournament at Culcheth High School. The children represented our school wonderfully and worked extremely hard as a team. St Philip's won two matches (3-0 and 1-0) and lost one which put them through to the semi finals. The semi final match proved to be tricky and despite the children's best efforts, St Philip's lost 1-0. Miss Cragg and Miss Stubbs were extremely proud of the children's perseverance and resilience! Thank you to all the parents who turned up to support the team.

**Together we aim high and with God's love we can fly.**
