3rd - Bikeability - Y5.

9th - Y1JK Class Assembly 9.00am.

9th - Bikeability - Y5 continued.

13-17th - SATs Week for Y6.

Online Safety Guidance

Thank you for your responses to the
online safety questionnaire. Parents
who responded identified the
newsletter as the best way to
communicate online safety issues and
guidance. There were requests for
guidance in regard to setting safety
restrictions for children, therefore, this
week we have attached a guidance
leaflet linked to the Xbox as this is a
popular device with children in our
school.

Our E-Safety children's team have also
surveyed the junior children; their
findings indicate that a large proportion
of children play FIFA online and use
YouTube, so we have also included
guidance leaflets for these.

St Mary's Church

These two Year 2 pupils
have enjoyed making Easter
crafts and are looking
forward to making more
tomorrow. Why don't you
come along and join them
tomorrow at St Mary's
Church, 2-4pm? (see
attached flyer).

Student Recognition

These two brothers have been litter picking around the local area several times each week for the past few weeks and are planning to continue it. They are both keen to make Westbrook look better, and protect the local wildlife.

Thank you both for looking after our community.

New Online Worry Box for Children

For the last two years we have used Tootoot as an online way for children reporting any worries that they have. We are pleased to say that we have now made online reporting even easier for children via our website. This online worry form can be accessed by clicking on the heading 'Children' on our website, therefore from today we will no longer be using Tootoot. All children have been shown how to use this new facility.

Friends of St Philip's

Thank you to everyone that supported our Mother's Day Sales, together we managed to raise over £1200.

This money goes towards lots of extras for our children to enjoy that without our help they could not have, such as:

£5,000 repairs and additions to Jungle Gym. To be installed soon.

£1,000 repairs and additions to outdoor stage.

£1,000 new percussion instruments.

£950 poetry books for each class.

Keeping your
children safe
online matters

Only children that are accompanied by an adult or have passed their cycling proficiency training are allowed to ride to school and leave their bikes on the school premises. Children must also wear a helmet at all times.

St Philip Church 30th Birthday

We are looking forward to celebrating St Philip's church 30th birthday this Sunday at 10.30am at a special café service with the Bishop of Warrington (Bishop Bev). Everyone is very welcome and there will be lots of cake.

Fundraising

Name the Teddy

Jasmine, Lottie, Lily and Yaren from Miss Cragg's class have organised a Name the Teddy event for the infants in order to raise money for the RSPCA. If children would like to take part, it will be 50p per guess; this will take place from Monday 29th April.

Macmillan Cancer Support

Simi and Ava from Y6 have organised a bake sale for both Y6 classes in order to raise money for Macmillan Cancer Support. They will sell the cakes on Monday 8th April at break time for 50p per cake.

A big thank you to all our courageous advocates and for all who support their efforts.

Together we aim high and with God's love we can fly.
