### Reception's Easter Home Learning Task

Dear Parents,

After Easter our new project will be entitled 'Are we nearly there yet?' We will be using non-fiction texts as our stimulus and children will be learning about a range of different types of transport. We will also be visiting Manchester Airport.

In preparation for this work we are setting the children an Easter 'Home Learning' task. This task will take the place of a set piece of homework in children's homework books.

We would like the children to find out about a mode of transport. They can choose any vehicle they wish and share their learning however they choose. They may like to make a model, label a picture, research transport in the past or find out about transport in another country. Children can be as creative as they like!

This task carries with it a range of learning opportunities that will support the children in all areas of the Foundation Stage Curriculum. Please see some examples of these on the back of this letter. If the children complete any of these additional activities please let us know in their homework book.

Homework should be completed and in brought into school by Friday the 28<sup>th</sup> April, ready for our sharing.

Thank you for your support and we can't wait to see the children's work!
