## Times Tables

A reminder that times tables are tested in school each week. Please Ensure your child continues to practise them every week at home. By the end of year four, they are expected to know all tables up to 12x12 (and to recall them with speed).

## Weaver Hall Museum

We will be visiting Weaver Hall Museum this half term to learn more about the Vikings. A letter will follow soon to provide further information about this. It will be an exciting opportunity for some hands on learning!

In PE, we will be training for sports day which is later this term when we will have the opportunity to compete against each other. Look out on the main newsletter for dates as we'd love to see you there!
