

St Philip Westbrook News

Year 5 Newsletter: Friday 16th June, 2017

Summer 2

A polite reminder that homework needs to be completed and handed in by Wednesday. Please ensure that you check your child's homework with them, and that work is completed neatly in either pencil, black pen or blue pen.

Our Learning

We have started our final half term with a new Geography topic, 'Mountains'. We also be investigating this through our English lessons.

In Maths this half term, we will be investigating area, perimeter and capacity. We will also be recapping our understanding of Roman numerals.

Later in the half term, we will be exploring Earth and Space, and will even be creating our own scaled versions of the Solar System.

In RE, we will be thinking about how to deal with sensitive issues that we sometimes face in life,

including loss and death. We will be reading some beautiful stories to explore our own and others' feelings.

We will be continuing to develop our Programming skills in ICT. We'll also be using the iPads to record our own jingles that we'll be creating during our Music lessons.

Our SEAL topic is all about celebrating ourselves and what makes us 'good to be me'!

Congratulations to the Year 5 children who were confirmed at St. Philip's Church on Sunday 11th June.

Year 5 Discovery Day

This week, the children received a letter from St. Gregory's High School, inviting them all to a 'taster day' at the school on Thursday 29th June. We're looking forward to sampling life as secondary school pupils!

PE

We are lucky enough to be continuing our dance work with Becky this half term.

Congratulations to all who auditioned for this year's Summer Concert. The standard was very high, leaving the teachers with tough decisions to make!
