

St Philip Westbrook News

Year 1 Newsletter: Friday 16th June 2017

Summer 2

Reminders: PE Kits need to be in school all week.

Reminders: Please read at least 3 times per week and practise phonic blending.

Reminders: Continue to practise all the maths passport targets.

Our Learning

This half term's project is 'Let's Play!'

We are looking forward to receiving a special toy box from Warrington Museum. In our History lessons, we will compare toys from the past to our own toys.

In English, we are looking at a variety of toy stories, such as Kipper. These will be used to help us plan our own toy stories towards the end of the term!

We will be looking at mass and space in Singapore Maths.

In Art and DT we will be sketching our own toys to help us design and make our own soft toys. We will also be making sandwiches and scones for our Teddy Bear's picnic!

In Science, we will be learning about forces using toy cars and ramps and paper aeroplanes.

In Dance, we will be learning African Dance which we will be hoping to perform on Masizani Day! In PE, we are doing summer games such as rounders, scatter ball and parachute games.

To prepare us for September, we will be looking at Growing & Changing in our PSHE lessons.

End of year reports will go out on 17th July.

Saturday 8th July—Summer Fayre.

11th July swapover morning — a chance to meet your new teacher!

18th July—Masizani Day.

28th July—End of term.

Teddy Bear's Picnic

Linking to our current project, all parents and younger siblings (preschool age)

are invited to a Year 1 Teddy Bear's Picnic on the school field on Thursday 20th July at 2pm. Please bring your teddy and a picnic blanket if you have one.

More information will be sent closer to the time. We look forward to seeing you all there!

Maths Challenges

To consolidate our Maths learning, we would like the children to complete the following challenges:

- Use a scale to weigh different items.
- Tell the time to o'clock and half past.
- Use a ruler to measure length in cm.
- How many small cups fill an empty milk bottle?

Reminders : Please ensure your child brings a water bottle to school every day. In hot weather, your child should come to school with a hat and wearing sun cream.
