Newsletter Distribution

In response to the Communication Survey last term, this week's newsletter will be emailed to all parents/carers in addition to a hardcopy being sent home. If you do not receive the email please contact the school office so that we can check and update your email address accordingly. Please note that from Friday 3rd February all newsletters will be emailed every Friday, but a hardcopy will still be available to collect from the school office if you require one.

Please refer to our website in the 'Newsletter' section for the results of the Communication Survey.

Y6 - Bikeability

Children in Y6 have braved the extremely cold weather to take part in their Cycling Proficiency Test this week. Good luck to the rest of the children who will be out and about next week doing their test.

Chinese New Year

Children in Y1 to Y6 all took part in Assemblies to celebrate Chinese New Year yesterday. We have all had fun today dressed in 'red' as we help to celebrate the year of the Rooster!

Artwork in School

All the children were busy last term creating some wonderful pieces of artwork for school. We are now starting to display it on the walls around school and it looks fabulous. Well done to everyone for making the school look brighter - it certainly puts a smile on our faces as we walk around every day! Scroll through our Twitter feed on the home page of the school website to see the children's beautiful work.
