Superhero Home Learning Task - Friday 5th January 2018

Dear Parents,

This term our new project is entitled 'Superheroes to the rescue!' We will be using superhero stories as our stimulus and children will be learning about a range of fictional and real life superheroes.

In preparation for this work we are setting the children a 'Home Learning' task. This task will replace of a set piece of homework in children's homework books for the next two weeks.

We would like the children to create a superhero mask of their own design. They can choose any super power they wish and design and make a mask in the style of their very own superhero. Examples may include 'Super Spotty Dog', 'The Amazing Invisible Invader'. Children can be as creative as they like!

This task carries with it a range of learning opportunities that will support the children in all areas of the Foundation Stage Curriculum. Please see some examples of these on the back of this letter. If the children complete any of these additional activities please let us know in their homework book.

Masks should be completed and in brought into school by Friday the 19th January, ready for our 'Superhero Parade'.

Thank you for your support and we can't wait to see the children's creations!

The Reception Team
