## Y5 Fire Safety Visit

Y5 pupils were visited by the Fire Crew from Penketh Fire Station yesterday to talk about fire safety. Children learnt the following simple rules:

- Never tackle a fire and to call 999.
- Have a clear escape route.
- Never hide but get out if safe or lock in a bedroom, cover doors to stop smoke and then call 999.

The highlight of the visit was definitely when everyone got to inside the smoke tent to experience what it would be like in a smoky environment!

## Parking at the Odeon Cinema

We are very grateful to the Odeon Cinema for allowing parents to use their car park when dropping off and picking up children and we wish to maintain a positive relationship. However, we were very disappointed to hear about the behaviour of some of our pupils in the cinema after school recently.

It has been reported that our pupils have been running around the foyer, unsupervised after school causing damage to the property.

We are very proud of the excellent behavior of our pupils whilst at school and would hope that the same levels of behaviour would be displayed when wearing their school uniform outside of school.

In order that the goodwill of the Odeon is maintained, and parents are to continue to be allowed to use the car park, it is important that all parents/carers ensure that children behave appropriately. Thank you for your co-operation.
