June

- 10th - Reception, Orchard Visit.
- 11th - Y6 Workshop and Leavers' Service, Liverpool Cathedral 9.00am.
- 11th-13th Father's Day Sales.

SATs

We are extremely proud of all of our Y6 children. They approached the SATs test with maturity and a determination to do their best.

They all thoroughly enjoyed their ice cream treat on Thursday afternoon to celebrate the end of SATs.

Well done, everybody!

Miss Birchall's Class

On Tuesday, we went on our Westbrooke Walk. We enjoyed walking through the woods and we thought carefully about what we could see, hear, feel and smell. We looked at the different trees and tried to identify them by the shape of the leaves and by using our identification key. We

collected lots of twigs, leaves, sticks and bark, which we used to create a picture with back at school. What a wonderful morning we had!

Sports Days

On Wednesday, Y4 had a fabulous afternoon participating in our annual sports day. All the children thoroughly enjoyed taking part in a range of races including: sprint, obstacle course, beanbag on head, relay and racket and ball.

Erin said, 'It was really fun! Even though we didn't win everybody was cheering each other on and it was a great atmosphere.'

Harry said, 'I liked sports day because everybody was cheering for me even though I was last'.

We are pleased to announce that our winning team was the **RED** team.

Monday was a lovely day for Reception's Sports Day. The children persevered and tried their best in all of their races. They showed determination and excellent sportsmanship and we were very proud of all of them.

We are pleased to announce that our winning team was the **BLUE** team!

Confirmation

Congratulations to those pupils who were confirmed by Bishop Bev on Sunday. We wish the children every blessing as they continue their faith journey.

We've reviewed the following types of products to help you make the right decision:

HOLIDAY CLUB

Only a few spaces remaining, they will be allocated on a first come, first served basis.

Student Recognition

A Y3 pupil competed in a taekwondo competition at the weekend against other children from across the north of the UK, this included Scotland and Wales. He won 3 gold medals and 1 bronze.

This Y3 pupil has just won a 2nd and 3rd place in a recent dance competition with Kandy Productions. As a dance team they were placed 9 times in 1st, 2nd or 3rd place.

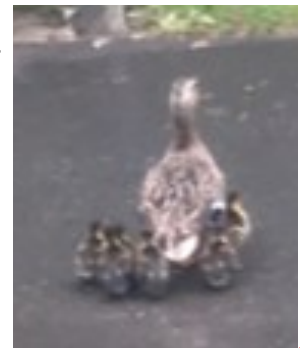

We are very proud of their successes.

The Ducks

Before we finished for Easter holidays, a mallard built a nest in the planter outside Mrs Hogan's classroom. The Y3 teachers have been caring for her and her eggs, feeding her, and chasing away other ducks who have tried to attack her.

We are delighted that last week, six ducklings hatched. Mother and babies were fine, and within 24 hours, she marched them off to find water.

Together we aim high and with God's love we can fly.
