Y6 Leavers' Service

Year 6 had a great time at Liverpool Cathedral on Tuesday. They participated in workshops with Cathedral staff and youth groups which helped them to prepare for the transition to high school. Afterwards, they enjoyed the leavers' service where they received a blessing, for the future and a reminder to trust God.

Orchard Visit

The Reception children have been visiting the Westbrook Orchard this week, they had a lovely time to launch their new topic 'How does your garden grow?' Kevin met the children and together they explored the orchard and discussed living and non-living things. Then they went on a hunt to find the different types of flowers. The children were very inquisitive and excited to continue their hunt on the journey home.

Blessed is the one who perseveres under trial.

Parking

We have received the following email into school:

"I just wanted to let you know that I have just watched a poor family struggling to get a disabled person into a car along with a wheelchair because there were no available larger disabled spaces. I know that at least 4 of the cars in the disabled spaces belong to parents of children at our school.

This is a really poor reflection on our lovely school and perhaps the parents need a further reminder in the newsletter."

Please can you be mindful of parking your vehicles when dropping off and collecting your children from school. Thank you for your support.

Please can parents send any email enquiries to

stphilips_primary@warrington.gov.uk

other school accounts are not monitored on a daily basis.
