Westbrook Big Party

Last Friday our children performed superbly to open Westbrook Big Party at Gulliver's World. Choir opened the event with two beautiful songs. Another group of children then performed a fabulous dance which represented the part that Warrington played during the Second World War. The host was very complimentary about the choir's voices and our talented dancers! It was a wonderful opportunity for the children to showcase their talents.

Y4 Weaver Hall Museum

This week, all year four classes visited Weaver Hall Museum to learn more about the Vikings. We completed two workshops: one with an archaeologist who excavated a site in Helsby and found Viking remains and another with Olaf the Viking. We dressed up as Vikings, we practised battle formations, we learned about and handled Viking artefacts, we made pottery Viking warriors and we even learned how to write our names in Viking runes. It was a brilliant day!

Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourself, not looking to your own interest but to the interest of others.

Y2 Sports Day

Y2 made the most of a rare dry day on Tuesday for their annual Sports Day. All the children joined in with gusto in their chosen events, with a mixture of traditional sprints and fun activities such as egg and spoon and sack races.

Congratulations to **Red Team** who emerged as the eventual winners, but a great performance was given by everyone. A special mention to Teddy aged 4 who reached the tape first in the toddlers' race!

Greek Workshop

The children in Year 3 had a wonderful time on Wednesday learning all about the Ancient Greeks. To their surprise, they were visited by the mighty Spartan warrior, Andros and the smart and intelligent Athenian, Penelope. The children were treated to a magnificent day filled with drama and exciting learning. At the end of the afternoon they helped to retell the story of Persephone and voted for the polis they would most like to live in. Athens won, but by a very small margin.

Y3 Miss Wright Class Assembly

As a class, we loved sharing the work we've produced over the last two terms with our family and friends. The children did a wonderful job and read some brilliant written work, showed their best pieces of art and performed PE skills - hopefully the audience didn't get too wet! It was clear to see that the children thoroughly enjoyed their Ancient Greek project, they relished in performing some of the things they had learned. The children were all extremely proud of their successes from throughout the year. Thank you for coming to watch!
