Tatton Park

Year 6 had a fantastic (but wet!) day at Tatton Park, learning all about the lives of servants in the Victorian era. They found out about jobs that boys and girls would do, including setting tables ready for dinner and preparing cucumber sandwiches for the family's afternoon tea. They also learnt about the role of a garden apprentice and saw the rose garden, orchard, vegetable patches and several of the greenhouses at Tatton.

Museum of the Moon!

Culture Warrington will host an immersive and interactive programme of visual and performing arts this October as part of Warrington's contemporary arts festival. This year's festival will be child friendly with lots of events and opportunities for the whole family to engage within including Museum of the Moon!

FUNDRAISING

One of our parents is taking part in a fundraising campaign to improve facilities for social welfare, recreation and leisure time in the Warrington area.

Money raised will be spent on upgrading a sports hall, in addition to other facilities. It will also support a variety of after school sports activities, keeping the local young children busy and active.

Recycle and Reuse

As we are teaching children to recycle and reuse in order to care for our world, please give children paper bags or a bag that can be folded and put in their pocket for packed lunches on school trips.

A meeting will be held on Tuesday 15th October at 9.00am for Better Reading Partners. We are keen to recruit more volunteers to read with children, if you are interested please email stphilips_primary@warrington.gov.uk
