School Football Match

On Monday, KS2 children took part in a football match against Culcheth Primary school. Both teams won their matches our Y3/4 team won 4-0 and played extremely well as a team for the full 40 minutes our Y5/6 team came from behind to win 4-1, and showed perseverance, not giving up at any point during the match to secure a great victory.

A big well done to the children, they were all fantastic and we are incredibly proud of them all. Congratulations to Emma from Y3/4 team and Annabelle from Y5/6 team who both received player of the match.

Thank you to all friends and family that came to support the children and helped out with transportation.

Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourself, not looking to your own interest but to the interest of others.

Australia Day

On Tuesday, our Global Awareness Group led our worship which was to celebrate Australia Day.

The children in the group worked really hard on researching facts about the origins of Australia Day and how the nation was colonised by Great Britain.

They then talked about the devastation that has been caused by the recent forest fires, and the impact that this has had on animals and people. A huge thank you to everyone who donated on Tuesday; over £470 was raised and the money will be passed on to the World Wildlife Fund.

FOR YOUR CONVENIENCE WE HAVE A POST BOX IN THE SCHOOL MAIN RECEPTION AREA WHICH YOU CAN USE IF THE SCHOOL OFFICE IS BUSY. THIS IS EMPTIED DAILY.

Please can parents send any email enquiries to stphilips_primary@warrington.gov.uk

other school accounts are not monitored on a daily basis.

Real-Life Superheroes Visit

The fire brigade visited Reception on Thursday to support them with their current learning about 'real-life superheroes'. The children learnt about the different responsibilities of a firefighter and they had the opportunity to look at and try on some of the clothing that they use for different emergencies. A highlight of the visit was exploring the fire engine and using the fire hose in the school car park.
