Holiday Club

We will be running a Holiday Club during the Easter break for children who attend St Philip's as follows:

Week Commencing Monday 6th to Thursday 9th April 2020

£15 per FULL day - 8.30am to 5.00pm

£8 per HALF day - flexible to individual requirements but no more than 4 hours.

Application forms can be found on the school website.

Please note that places are filling up quickly, so complete your application form as soon as possible to avoid disappointment.

Friends of St Philip's

Thanks to everyone who has returned their slips to receive disco tickets for this Sunday, it really does help raise vital funds for the children at school.

There are still some tickets available so feel free to bring friends and family along and pay on the door, we would love to see you there.

As a reminder the Disco is being held at Penketh Conservative club.

Infant disco-1pm-2.30pm

Junior Disco 3pm-4.30pm

Tickets are only £3 each and there will be another opportunity to win a great Ruby and Harry chocolate hamper in our raffle on the day.

Attendance Awards

Polite Reminder

At the end of the day when you have picked up your children from school, please can you vacate the school premises as soon as possible. This is to allow the children who attend Link Club to use the school facilities without any delays. Gates will be locked by 3.40pm Thank you for your continued support.

Student Recognition

We are incredibly proud of one of our Year 3 pupils who has earned a Blue Peter badge. She sent in a fantastic drawing of the Blue Peter dog and received a letter back from the TV show. They explained to her how much they all loved the picture, especially the dog! She now has her very own badge, which grants her free access to over 200 Blue Peter attractions.

FOR YOUR CONVENIENCE WE HAVE A POST BOX IN THE SCHOOL MAIN RECEPTION AREA WHICH YOU CAN USE IF THE SCHOOL OFFICE IS BUSY. THIS IS EMPTIED DAILY.

Please can parents send any email enquiries to stphilips_primary@warrington.gov.uk

All other school accounts are not monitored on a daily basis.

#LiveLent Caring for God's Creation—Six ways to save our Planet by Alina Y6

1. Try walking to school—instead of car. It's in the fresh air and not very far.
2. When you are chilly, it's so much better to ban central heating and put on a sweater.
3. Take your old toys to the charity shop or maybe your friends would fancy a swap.
4. Don't use the dryer, hang clothes on the line saving electricity everytime.
5. We must keep plastic from polluting the sea, the poor old sea creatures would surely agree.
6. To save all the forests, oceans and shore we must start while we're young and do a lot more.

Live Lent

#Live Lent

During Lent, we are encouraged to face the reality that there are many dark places in our lives and our world. We need God's light to open our eyes to the world's needs, to bring hope into the darkness.

This week's challenges have involved noticing light around us and thinking about the difference that light makes to our lives,

saving energy turning lights off when we leave a room, turning off chargers once mobile devices are charged.

For this weekend's challenge children have been asked to visit the Christian Aid or the Tearfund webpage and answer: How do the charities help bring light into dark situations? Also can you say a prayer for the work they do and support them in any way.

The Live Lent program is an app that you can download for android and apple devices.

Together we aim high and with God's love we can fly.

World Book Day

Each classroom decorated their door like the cover of a book.

Children worked alongside other children of different ages from different classes. Many children said that it was, "The best day ever!"

'My favourite part of world book day was when we swapped classes because I got to mix with other year groups and make new friends. I enjoyed exploring new books whilst having fun.'

'I liked the different doors as I could see what stories we would look at and who the characters were'

'We enjoyed unusual stories, including picture books'

I really enjoyed spending time with different aged children throughout the school as I made new friends'

'I liked doing crafts and drama based on a story I hadn't read before'

Together we aim high and with God's love we can fly.
