# Football Tournament

On Monday, some of our year 3 and year 4 children took part in a football tournament at Culcheth. They played extremely well despite the poor weather conditions. They all showed brilliant perseverance battling through the wind and the rain to put on an excellent performance.

Our player of the tournament was Ella who showed our value of fellowship, by keeping the team motivated through out. A big well done to every player that took part and thank you to all the friends and family who came out to support the children.

## #LiveLent Caring for God's Creation

This week for our Lent Challenge we have been giving thanks for water. finding out how much water it takes to make items such as a pair of jeans or a hamburger.

We have also been thinking about caring for our local waterways and how we can use fewer harmful chemicals in our daily lives.

We have prayed to God for people who have experienced climate change.

Our weekend challenge is to find out about charities providing clean water and toilets in poor communities.
