## Star of the Week

The following children have been awarded Star of the Week for showing our Christian value of:

### 'PERSEVERANCE

|          |         |
|----------|---------|
| RecD -   | Jessica |
| RecP -   | Lewis   |
| RecV/W - | Liane   |
| Y1L -    | Maryam  |
| Y1B -    | Oliver  |
| Y1C -    | Summer  |
| Y2K -    | Daisy   |
| Y2R -    | Abigail |
| Y2C -    | Abbie   |
| Y3E -    | Ajoni   |
| Y3H -    | Siri    |
| Y3W -    | Sarah   |
| Y4D -    | Gavin   |
| Y4Mc -   | Grace   |
| Y4B -    | Hollie  |
| Y5A -    | Talia   |
| Y5T/B -  | Millie  |
| Y5S -    | Chloe   |
| Y6H -    | Alina   |
| Y6C -    | George  |

## Contacting School

If you need to contact the school for any reason then please email the school at [stphilips\\_primary@warrington.gov.uk](mailto:stphilips_primary@warrington.gov.uk)

Your email will receive an automated response and all emails will be filtered and responded to according to urgency.

## Holiday Club

Unfortunately the Holiday Club during the Easter break for children who attend St Philip's has been cancelled.

However, we are looking at the possibility of hosting a holiday club for children of key workers only, which would run on the following dates:

**Monday 6th to Thursday 9th April and Tuesday 14th and Wednesday 15th April 2020.**

£15 per FULL day - 8.30am to 5.00pm

£8 per HALF day - flexible to individual requirements but no more than 4 hours.

As we are currently looking at availability of staff in order to provide this service please can you let Lesley Thornton know as soon as possible if this is something you would be interested in.

## Farewell

During this week, when perseverance has been our Christian value theme, we have greatly appreciated your patience and support. We hope that this is not a final farewell for the school year and that we are all back together again before the end of the summer term.

We would like to say how proud we are of all our children for their perseverance and determination and for their kind and caring attitudes. We wish you every blessing so that you stay safe and healthy until we meet again. We hope we get to say a goodbye and a proper send off to our Year 6 pupils who may have missed out on their end of primary school celebrations.

Thank you again for all your lovely messages and kind words this week, take care from us all.

## British Science Week

Once again, British Science Week was a huge success in school. The children spent the week engaged in exciting science activities, and thinking about careers that they could aspire to in STEM industries.

On Monday, we were once again joined by Science Boffins; an incredible crew of scientists who wowed the children with their assemblies and workshops. The Year 3 children were particularly excited by the dry ice which turned our classroom into a scene from Harry Potter. The day was ended by a slightly damp, but thrilling rocket launch.

On Friday, the Year 6 children were treated to a visit from some scientists from Manchester University who delivered magnificent physics and biology workshops. They learnt about fundamental forces, made motors, and extracted strawberry DNA.

To end our week, Dr Emily Grossman, from the TV show, 'Duck Echoes Don't Quack' visited us to share her book. The children were captivated by her assembly which saw her trap a tickle and make a cloud. Lots of the children bought her book, 'Brain Fizzing Facts' which she signed for them.

## Emails from School

Just a reminder for parents/carers to check their 'junk/spam' folders for any emails from school. Quite a few parents have noticed that some of the emails sent out from school are going straight into these folders. It is important that you check these regularly, especially with schools closing from Friday.

FOR YOUR CONVENIENCE WE HAVE A POST BOX IN THE SCHOOL MAIN RECEPTION AREA WHICH YOU CAN USE IF THE SCHOOL OFFICE IS BUSY. THIS IS EMPTIED DAILY.

Please can parents send any email enquiries to [stphillips\\_primary@warrington.gov.uk](mailto:stphillips_primary@warrington.gov.uk)

All other school accounts are not monitored on a daily basis.

## #LiveLent Caring for God's Creation

## #Live Lent

For this week's Lent challenge we have been reflecting on God's earth and its beauty. We have found out how trees help the planet and said prayers for those working hard to tackle climate change.

During the weekend, take the opportunity to have a break and enjoy a treat with the ones you love and who care for you.

**Together we aim high and with God's love we can fly.**
