

The Bible Quiz - ANSWERS

The Bible is a collection of 66 (in most Bibles!) separate books divided into 2 sections – the Old Testament (OT) and the New Testament (NT).

To find a particular passage for example, ***Daniel 2. 14-16***, you need to look for the name of the book (**Daniel**), the chapter (**2**) and the verse (**14-16**).

Using a copy of the Bible or the suggested websites (the contents page will be very helpful in both cases – hint!!!), can you uncover the following facts about the Bible and some of the people within it?
