Paper Plate Diva Lamp

Supplies

- A small paper plate
- Coloured paper or card
- Glitter
- Acrylic jewels or sequins
- PVA Glue
- Paint
- Paintbrush
- Scissors

1 First, paint one side of your paper plate.

5 Use glue to stick the candle down inside the folded plate.

2 When the plate is dry, fold it in half so that the paint and glitter can be seen on the outside. This should form the base of your diva lamp!

6 Then, cut a flame shape out of some yellow, orange or gold paper. A little glitter could be sprinkled on this too!

3 Next, cut a small semi-circle shape out of the middle of the folded part of the plate.

7 Stick the flame to the top of the candle and allow to dry.

4 Now, make a candle for your diva lamp! To do this cut a rectangle shape out of some card. This should fit into the hole in the middle of the folded plate.

8 Now decorate your paper plate diva lamp, perhaps by sticking some jewels or sequins on using PVA glue.

9 To finish add a little bit of glitter to create some sparkle and stand your finished diva lamp on a table or shelf to celebrate Diwali!
