

A photograph of a forest floor featuring several large, weathered logs. The logs are covered in moss and lichen, with one log in the foreground showing a clear cross-section of the wood grain. The surrounding area is filled with lush green plants, including small blue flowers and ferns, under dappled sunlight.

God's Good Earth
St Philip Primary School

God Gave Us Wildlife

But We Are Endangering Them
With Our Plastic Litter

He Gave Us Clear Skies But
We Filled It With Air
Pollution

He Gave Us Trees But We
Chop Them Down

He Created Waterways

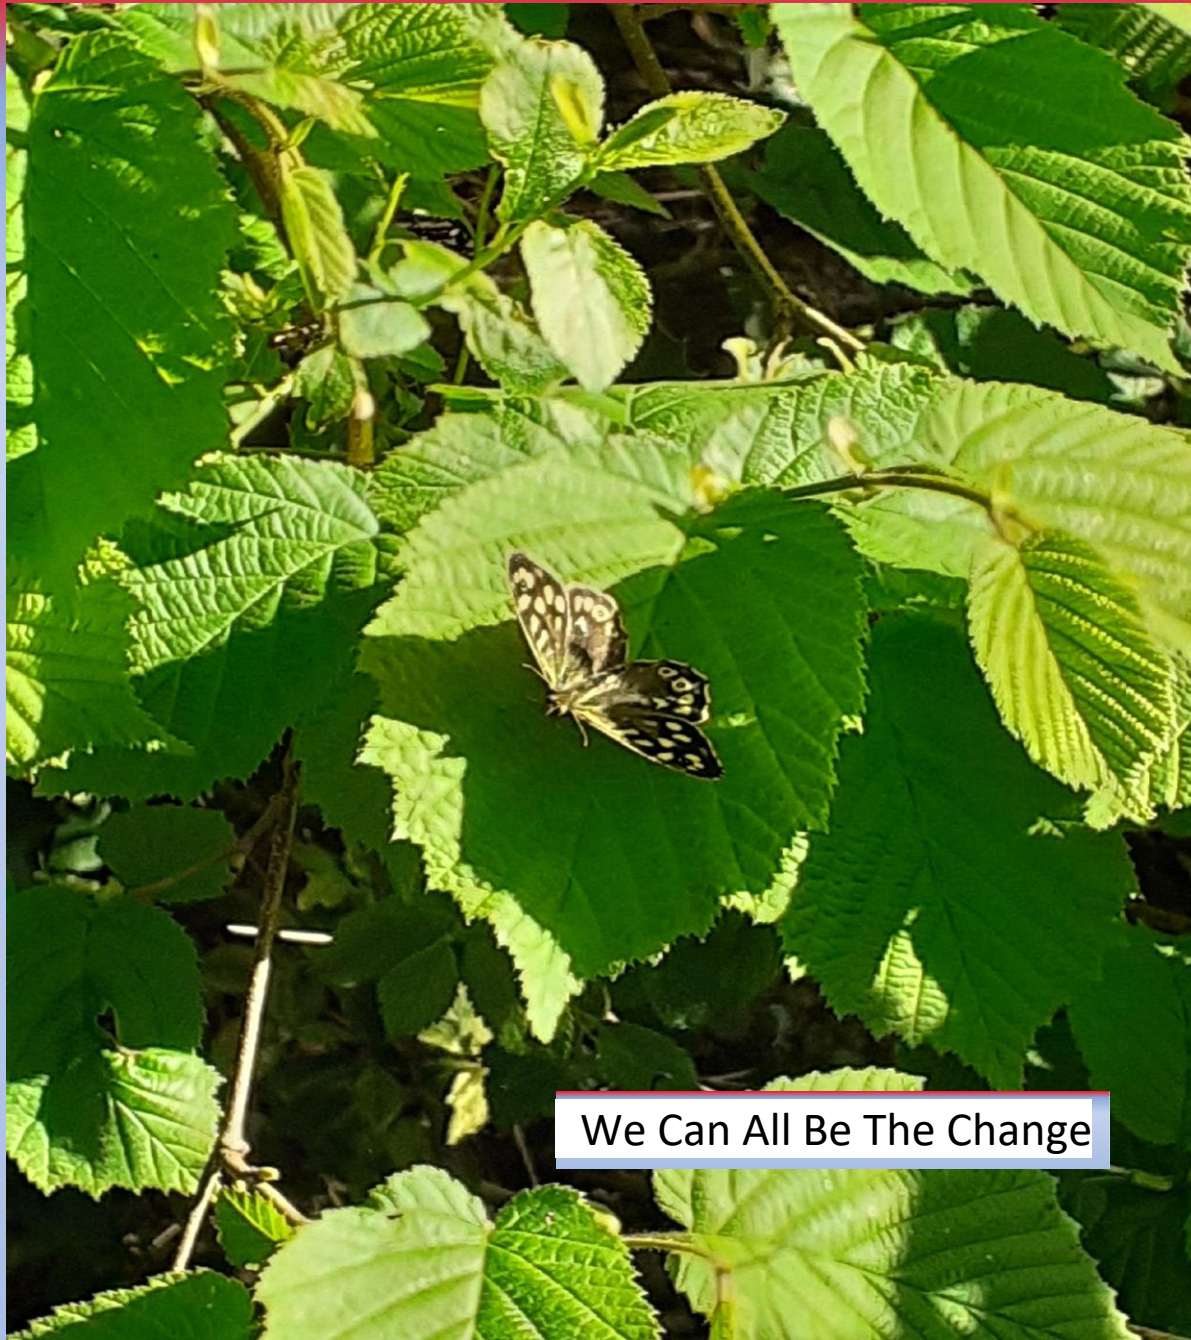

He Gave Man The Power Of
Invention Which We Take For
Granted

There Is Beauty Everywhere
You Look

But It's Never Found In Littering

We Can All Be The Change

God Has Hope In Us

A photograph of a white swan swimming in a pond, surrounded by several small, fluffy ducklings. The water is dark green and reflects the surrounding foliage. The swan is on the left, facing right, with its neck curved. The ducklings are clustered together on the right side of the frame. The overall scene is peaceful and natural.

God Gave Us Lots To Be Thankful For

We Just Need To Look After Our Earth!
