

Henry Brown was
sent to be a slave
for his master's
son.

Henry worked in the
factory. He was
beaten.

Henry met
Nancy, they were
married and had
children.

Years later,
Henry's family
were sold and
sent away.

Henry made
friends with Dr.
Smith and James.
They had an idea.

Henry was posted to
freedom in a
box.

He arrived in
Philadelphia - he
was free!
