

Dora says:

All coins are round.

Do you agree with Dora?

Justify your answer.

Dora is incorrect.

A 50 p coin isn't round.

A 20 p coin isn't round.

A £1 coin isn't round.

Which is the odd one out?

20 p

8 p

2 p

10 p

Why?

8 p is the odd one out because we do not have an 8 p coin.

The tooth fairy left some money for two children.

Jack has 50 pence. Mo has one pound.

Jack thinks he has more money because his coin is physically bigger.

Explain why Jack is wrong.

Jack is wrong because although the 50 pence coin is physically bigger it only has a value of 50 pence, but the pound coin has a value of 100 pence.
