

These are the targets we are working on this term. When your child has practised these at home and can confidently recall the number facts, please sign and date in the box. Before the end of term, they will be asked to demonstrate this target in school.

Target	Date achieved Signed by parents/carer
Recall all addition facts up to and including 5 e.g. $2+2$, $1+3$, $4+0$	
Recall all subtraction facts up to and including 5 e.g. $4-1$, $5-2$	
Recall all addition facts up to and including 10 e.g. $6+2$, $5+3$, $4+4$	
Recall all subtraction facts up to and including 10 e.g. $8-2$, $10-4$, $7-1$	

Additional challenges

- Addition and subtraction facts within the context of a story: For example, "I have 6 red lollies and 4 yellow lollies."
- A time challenge! How many ways can you make 10 in one minute?
- Make up a game to practise your number facts.

Mental Maths Targets
