Reminders

As mentioned in our previous newsletters if your child has opted-in to have a school dinner and had one yesterday, this will continue for the rest of the half term, the same as for the packed lunch option. If you wish to change your preference for next half term please let us know in writing by 9th October so that we can pass the details on to School Meals for the change to take place on 2nd November 2019 and we can sort out staff ratios.

Please send any email enquiries to

stphilips_primary@warrington.gov.uk

as other school accounts are not monitored on a daily basis.

Any forgotten items; PE kits, water bottles, snacks etc are unable to come into school through the office. Please ensure that your child has everything they need when they arrive at school in the morning.

Please make sure that your child brings their coat to school with them as we will be utilising our outdoor space as much as possible.

At the end of the last school year we said "Goodbye" to one of our Reception teachers Mrs White and two TAs Miss Wyatt and Mrs McGinnity. We wish them all every blessings for the future.

We also welcome into our school 3 new teachers; Miss Wade (Y6), Miss Thwaites (Y3) and Mrs Anderson (Y2), 2 new TAs; Mrs Spurr and Mrs Ellison and our new Site Manager Mr Wilcock.

Welcome Back

A warm welcome back to all of our children and families, it has been so lovely to see you all this week and hear all about your lockdown and summer adventures!

As always, the children have been an absolute delight and a big thank you to all parents and carers for ensuring that they look so smart in the correct school uniform.

We are all very much looking forward to the new school year and the exciting term ahead.

Packed Lunch

Please do not include **any** type of nuts in your child's packed lunch due to nut allergies of other children. This includes any type of Nutella bars or any food item that may include nuts.

Sweets and confectionary should not be put in lunch boxes either as we are a Healthy School and children will be asked not to eat these items in school but to save them until home time.

Any cheese that includes a wax coating will need to have the wax removed before putting them into the packed lunch.

Thank you for your co-operation.
