The Odeon Car Park

We would like to remind all parents about the rules surrounding the use of the Odeon Car Park.

We are very lucky to have the amount of available parking surrounding our school that we have, this includes the use of the Odeon car park. Unfortunately, it has been brought to our attention that parents are consistently breaking its one way system and that there have been a number of near misses with both pedestrians and vehicles.

It is very kind of the management team at the Odeon to allow the use of this car park, however we have been informed that should this abuse of the one way system continue, use of the car park will be withdrawn.

Can we ask all parents to follow the one way system currently in place, and to show courtesy and respect to pedestrians and drivers alike.

Thank you for your co-operation on this matter

Covid-19 (coronavirus) - Local Covid Alert level: High

There have been further restrictions imposed on Warrington from Wednesday 14th October. Please click the link below to find out what these changes will mean for you and your family.

[Local COVID Alert level: High](#)

Despite people from separate households being banned from mixing indoors in our area children are telling us that they have been having play dates in each others' houses. The Health Secretary, Matt Hancock, has made it clear that childcare bubbles: "do not allow for play dates or parties but it does mean that a consistent childcare relationship that is vital for somebody to get to work is allowed." Social distancing must still be adhered to as well as the 'rule of 6'.

Over the half term break please do not let your children mix indoors with other families unless they are part of your support bubble or childcare bubble, which will involve the same two families consistently.

Unlike many schools in Warrington we have been very fortunate not to have had to send classes or year groups home to isolate due to a positive case in school and are doing our utmost to keep mitigation measures in place. We appreciate your co-operation.

Y7 Open Evening

Penketh High school are holding an extra virtual open event on Tuesday 20th October between 6-7pm. You can register for this event by emailing openevening@penkethhigh.org

Wishing all our children and their families a safe half-term break. We look forward to seeing you all again on 2nd November.

SPORTS STAR AWARD

KS1

Ethan, Phoebe, Harry, Harry, Arya, Milada, Oliver, Bobby, Charlotte

KS2

Rory, Leon, Isabella, Daniel, Ajooni, Tilly, Maisie, Isobel, Blake, Harry, Lucy, Emilie

Please can parents send any email enquiries to stphilips_primary@warrington.gov.uk

All other school accounts are not monitored on a daily basis.

Flu Vaccination

The date for the flu vaccine is Wednesday 25th November 2020. The vaccine is given as a nasal spray.

All parents/carers will have been issued with a letter, from the NHS, which your child will need to bring with them on this date when they have their vaccine. If your child forgets to bring this letter with them, as long as you have already consented they will be given the nasal spray flu vaccination.

Absences

A reminder for all parents/carers not to send in notes with your children. Please send an email into stphilips_primary@warrington.gov.uk to let school know the reason why they were unable to attend school or are leaving early/arriving late. We are unable to accept any notes from home during the pandemic. Thank you for your co-operation on this matter.

Parent Governor Elections

Thank you to the four parents who stood in our Parent Governor elections, Lee Herridge, David Horrocks, Katie Mansfield and Helen Oliver.

The votes have been verified and counted and we can confirm that Mr David Horrocks and Mr Lee Herridge have successfully been elected as Parent Governors.

Thank you to everyone that took part.

Together we aim high and with God's love we can fly.

Career Day

Reception had a wonderful 'Career Day' on Monday, sharing their aspirations for the future with their teachers and their friends. Across the course of the week they have enjoyed participating in online video calls with a pilot, a dentist, a firefighter, an engineer and our headteacher.
