Positive Covid Test Results

If your child tests positive for Covid-19 please can you inform school, even if they are already isolating due to another family member having symptoms or testing positive. This is because we have to report any positive cases to the Department for Education and Public Health and to establish if they have had contact with anybody in school whilst infectious.

Drop off and Pick Up times

While you are queuing at the front of the school premises to drop off/pick up your child please ensure that you are following the government guidelines regarding the current lockdown and social distancing procedures.

Please make sure that your child is with you at all times in the queue and only one adult accompanies them.

Please be reminded that once children have been dropped off or picked up to move away from queues/gates as soon as possible to reduce the numbers of adults in any area.

Thank you for your co-operation in this matter.

Covid-19 (coronavirus) - Social Distancing, Ventilation and Isolation

Social Distancing and Ventilation

Please click the link below to read the latest guidance regarding social distancing and ventilation and a video about how important it is to ventilate indoor areas.

Isolation Periods

There has been some confusion regarding the number of days different family members need to isolate depending upon a household member displaying covid symptoms or receiving a positive test result. Please see the attached visual chart which we hope will make things clearer.

Book Fair

As we are unable to hold the Book Fair in school this year, we have set up an online facility. Please follow the link below: Our new Scholastic Book Club is up and running! Go to <https://schools.scholastic.co.uk/st-philip/digital-book-club>

to browse the latest books and order online. For every £1 you spend on this month's Book Club, our school will earn 20p in Scholastic Rewards.

Please place your order online by November 30th, 2020. Thank you for your continued support.

School Meals

If you wish to change your preference for school meals next half term please let us know via email by Friday 11th December so that we can pass the details on to School Meals for the change to take place on Tuesday 5th January and we can sort out staff ratios. Thank you for your co-operation.

Anti Bullying Week and Odd Socks Day 2020

The theme for Anti-Bullying Week this year is 'United Against Bullying'.

Odd Socks Day on Monday, the start of Anti-Bullying Week, was a great success with all staff and pupils coming into school wearing their odd socks. This was to celebrate we are all unique and are united in our stand against bullying of all forms.

Please can parents send any email enquiries to stphilips_primary@warrington.gov.uk

All other school accounts are not monitored on a daily basis.

100% Attendance

Well Done to the children in Mrs Vermiglio/Mrs Thorrington's class, Miss Evans' class and Mrs Arnaud's class on achieving 100% attendance this week.

The Friends of St Philips

The Friends of St Philips are offering a very special, contact free, event this year in place of our usual Christmas events - Personalised Father Christmas Letters.

We couldn't let the season pass without offering something special for the children, and also raise a little money for the school in these tough times.

You can book to receive a personalised letter from Father Christmas for your child(ren), which can be ordered and paid for completely socially distanced.

Letters will be personalised based on information you provide.

Details of how to order has been sent out in a separate email. If you have not received this email please click the link below
