## Covid-19 (coronavirus) - Change to the length of Isolation Periods

### Change to the length of Isolation Periods

A change to the self-isolation period from 14 to 10 days was announced on Friday 11th December for those who have contact with a positive case.

Communication from Public Health England colleagues states that the self-isolation period should be calculated as follows:

Isolation periods will take the day contact occurred as Day 0 of the isolation period

You must remain in isolation until Day 11

For example, contact on 18th December 2020 = Day 0; last day of self-isolation is 28th December 2020 = Day 10; able to resume normal activities on 29th December 2020 = Day 11

## Elf Run

On Tuesday, our Reception classes had lots of fun participating in the annual St Roccas Elf Run. They put on their elf hats and ears and ran for as long as they could to help raise money for cancer patients and their families. The children demonstrated excellent stamina and sportsmanship as they cheered each other on. Thank you to everyone who has already returned their sponsorship forms and money. St Roccas will be collecting the money after Christmas so please ensure that all sponsorship envelopes are returned no later than Friday 8th January.
