Student Recognition

Two of our pupils, a brother and sister from Y2 and Y1, along with their younger siblings, won a competition run by St Philip Westbrook church. They had to create an advent window display depicting a Christmas carol. They based theirs on 'Ding Ding Merrily on High' and won an amazing chocolate hamper.

Parent Contact Information

It has come to our attention in recent weeks that parents have more than one email address they use to contact school. We will shortly be moving to a new communication package which uses email to contact parents. Therefore, we need parents to give us their most used and current email address so we can update our records if needed. Please email school on stphilips_primary@warrington.gov.uk if you have changed your email address.

Thank you for your co-operation in this matter.

Suspected/confirmed coronavirus cases

Parents of children attending school will need to inform us as soon as possible if anyone in the household or the child has a positive test result for coronavirus.

Children who are not attending school do not need to tell us if anyone in their household displays tests positive for coronavirus, this will be picked up in the wider community through the 'test & trace' system.
