I can make inferences from the text.

Starter:

How are you feeling today and why?

Could you find your feeling on the emotions mat and write it down.

If you have time, you could write this in a sentence.

E.g. I feel _____ today.

How Do You Feel Today?

happy

angry

excited

embarrassed

cold

hot

surprised

tired

astonished

upset

worried

nervous

proud

sad

confused

scared

poorly

calm

stressed

disappointed

Who is she?
What might happen to her?
What book is she from?
Who created the character?

Alice in Wonderland

Retold by
SUSIE LINN

One sunny summer's day,
Alice sat by the riverbank
feeling hot, sleepy and rather bored.
Then the strangest thing happened.

Out of nowhere, a white rabbit clutching a pocket watch
dashed past ... and disappeared down a rabbit hole!

'Hey, Mr Rabbit!'
called Alice, feeling
perfectly awake again.

And with that she

chased after him

and found herself

falling down,

down,

around and

falling down, down, around and around.

How do you think Alice is feeling?
How do you know?
