9am	10am	10.20	11.10	11.45	12.30	1.30	2.00	2.25-2.45
Literacy *Join us live at 9 am. Possible follow up tasks: *Write a list of the things you would need to look after the baby inside the egg. OR *Write a sentence/sentences to explain what you think might be inside the egg.		Phonics *Join us live at 10.20 for phonics where we will be learning about clusters. Possible follow up tasks: Select the 2Do: Spellings sp Reading eggs Quiet reading	Handwriting This week we are going to practise our 'Bouncers' again. Watch the video below and then practise writing the letters h and b. Remember to always start at the top, go down and then bounce back up again. Handwriting for kids: Learn to Write Letters h, b, r, n, m p with the Handwriting Heroes Bouncers! - YouTube		Maths *Join us live at 12.30 for maths Activity: Select the 2Do: Dinosaur toy shop		UW What can we see when we look out of the window? Which of these things do you think were here 65 million years ago? Were there buildings? Roads? People? How do we know? Humans were not alive when dinosaurs were, and now that dinosaurs are extinct the only way we can learn about them is through their skeletons and their fossils. We can learn about what they ate, how big they were and how they moved around (sea, air, land). Find out more with Andy on his dinosaur adventure: https://www.youtube.com/watch?v=vnaFsZP9JNc What did you see on the land? What could he smell? What was the special stone he found? Do we still see these things today? How has the earth changed? Who made the changes? Activity: Draw two windows. In one window draw what you see today and draw another window to show what you would see over 65 million years ago	Join us for a story at 2.25 if you would like to!
