## World Thinking Day 2021

On 22<sup>nd</sup> February each year, Guides and Scouts across the world think of each other and express their thanks and appreciation for the international movement. This date was chosen as it is the birthday of Boy Scout Founder, Lord Robert Baden-Powell, and his wife Olave Baden-Powell, World Chief Guide.

This year World Thinking Day falls on our first day back after half-term, Monday 22nd February. Any children who are members of The Scout Association and Girl Guiding UK are allowed to wear their Guiding or Scout uniform to school, to celebrate and promote World Thinking Day. It would be nice to see you wearing your uniforms on screen too if you are learning from home.

## Covid-19 (Coronavirus) - Contact tracing over half term.

Parents should only contact school if their child, has attended school during lockdown and has exhibited COVID symptoms up to and including Sunday 14th February and subsequently receives a positive test result. If they were asymptomatic but have had a test up to and including Sunday 14th February, and subsequently receive a positive test result, you will also need to contact school.

Parents / carers will need to leave a voicemail or text on the number 07949 852541 with the following information:

- Child's name / DOB / class / Post Code
- When symptoms started, or the date of the test if asymptomatic
- The test date
- When the child was last in school

This number will only be monitored between 12 noon - 2pm until Wednesday 17th February. All other positive cases of pupils in school will need to be reported via email to [stphilips\\_primary@warrington.gov.uk](mailto:stphilips_primary@warrington.gov.uk)

Children should not return to school until after 10 days isolation has been completed.

## Student Recognition

Well done to one of our Y2 pupils who has received her 4th Blue Peter badge. This time it is a silver badge as she has already achieved her blue badge. She received the silver badge for sending in a firework poem that she had also decorated. The race is now on between her and her sister, in Y6, as to who receives their 5th Blue Peter badge first.

## SPORTS STAR AWARD

### KS1

Matilda, Harrison, Ava, Imogen, Esme, Daisy, Noah, Ayumi, Ben

### KS2

Phoebe, Katy, Maia Amelie, Elliot, Nicole, Tyler, Katie, Henlie, Freyah, Spencer, Nayen, Isaac

Please do not send any emails into the Office or Admin email addresses as these are not monitored accounts. All emails are to be sent to [stphilips\\_primary@warrington.gov.uk](mailto:stphilips_primary@warrington.gov.uk) as this is monitored on a daily basis.

On Wednesday, the children in Year 3 celebrated their love of reading. We had lots of fun in our Pyjamas, in school and at home, reading our favourite books. Throughout the day, we read in unusual places, searched for non-fiction facts, discussed our favourite book genres and produced some wonderful art! We finished by reading our 'Year 3 story', we spent the day taking it in turns to write different parts of the story and the finished piece was brilliant. Well done to all of Year 3 for such super work.

## Festival of Literature

All of the children throughout school have been celebrating the Festival of Literature this week.

The festival brings acclaimed authors, illustrators, and poets together to inspire children to read for pleasure. We have all enjoyed workshops with our favourite authors, from Joseph Coelho and Tom Palmer to Onjali Q. Rauf and Emily Hanna-Grazebrook.

The week was filled with story telling, role playing, poetry writing and finding out lots of interesting facts about our favourite authors. We all had a fantastic week!

### Star Count 2021

Each year, CPRE The countryside charity ask the nation to help measure light pollution in their area by getting starry-eyed and counting visible stars.

Supported by the British Astronomical Association (BAA), CPRE are asking everyone to take part from home, between 6th-14th February, and to star gaze from your garden, balcony, doorstep or even your bedroom window. "Look to the skies and count what you can see as part of our annual Star Count" is what they are asking people to do.

They have lots of hints and tips on their website for anyone who wants to take part, just click on the link below for more information.

## Text support service launches for boroughs parents, carers and teens

Bridgewater Community Healthcare NHS Foundation Trust is beginning the roll out of a new secure text messaging service for parents and carers of children and young people aged 0-19 years old, enabling them to get timely and trusted health advice from a health professional (a Health Visitor or School Nurse).

As our lives have changed over the last few months due to coronavirus, it's more important than ever for young people and families to have easy access to support, particularly in the absence of face to face interaction.

The service (which is available in Warrington, Halton and Oldham) does not aim to replace face to face contacts, rather increase choice for service users about how they access advice from a health professional and provides a new line of communication as face to face contact is reduced.

**The ChatHealth text number will operate Monday-Friday from 9am until 5pm.** Messages will be responded to within 24 hours during this period. Outside these hours, service users will receive a 'bounce back' text message indicating that they will receive a response when the line re-opens. Of course, ChatHealth is not an emergency service, and accordingly parents will be instructed to follow usual advice in seeking urgent medical attention.

**The text numbers for Warrington are:**

11 - 19 Young People's Service – 07507 330101

0 - 5 Parents Service – 07507 327981

5 - 19 Parents Service – 07480 635994

Or visit [chathealth.nhs.uk](https://chathealth.nhs.uk) to start a chat
