

Look, Cover, Write, Check Spellings 16.4.21

Here are five high frequency words to learn. Please practise these at home and we will test the children next week.

| Say it | Write it <b>big</b> , say it | Write it small, say it | Write it in colour, say it |
|--------|------------------------------|------------------------|----------------------------|
| so     |                              |                        |                            |
| when   |                              |                        |                            |
| one    |                              |                        |                            |
| little |                              |                        |                            |
| name   |                              |                        |                            |

Extension: Can you use one of these words in a sentence?
